

# Welcome to Kindergarten!

I am so excited to be your child's kindergarten teacher this upcoming year! I hope everyone had a lovely summer! There are a few things I want you to know before school starts: We will have a welcome day on September 2<sup>nd</sup> from 2:00-2:45pm and our first day of school is September 9<sup>th</sup>.

## Kindergarten Preview

We are going to have a wonderful year! You will learn your letter sounds, names and become readers!

You will also become problem solvers in math and write beautiful stories during writer's workshop.

You will become scientists as you observe the weather and explore sand, water, lady bugs, plants and nature.

Most importantly, you will meet new friends and teachers who will be part of your adventures of kindergarten this year.

We have four specials:

We are going to have a wonderful year! I also want to introduce our kindergarten assistant who I have had the privilege to work with for two years. Ms. Maria is a caring and thoughtful teacher that has a lot of experience with guiding students to do their best. Ms. Maria has an adorable family with two kids. We look forward to having an exciting and fun year with you all.
