

TOTALLY VOCAL

Newton Public Schools' Creative Arts & Sciences Concert Series is back after a two year hiatus!

A CAPPPELLA

**Coming to Underwood Elementary
Thursday, October 20, 2022**

Ball in the House is bringing **Totally Vocal** to elementary and middle schools this fall/winter. Look for more details in upcoming PTO bulletins.

Based out of Boston, **Ball in the House** is an R&B/Soul/Pop a cappella group that has performed in venues all over the world and opened for some of the biggest acts in the music industry such as The Beach Boys, The Jonas Brothers, The Temptations, and Fantasia. Through contemporary and classic cover songs and original works, students will discover how "a cappella" works; how various voice parts fit together; how to beatbox and use rhythm. From chant through doo wop, students are introduced to songwriting and collaboration. Ball in the House inspires and encourages students to get involved and stay involved in the arts.

CAS programming is funded by your generous contributions to the PTO. Thank you for your support.
